

CE3

CODE ENCRYPTOR 3 RECEIVER AND TWO REMOTE KIT

Honeywell's Street Smart Series Code Encryptor 3 (CE3) is the best universal remote kit in the industry. It is ideal for systems that just need remotes. The CE3 provides AWAY, STAY and OFF with the touch of

a button. It also offers PANIC with a two-button press, all through the data bus. For added convenience, a tricolor LED status light and plate is included to visually alert the user of the status of the keypad.

FEATURES

- New sleek remote designed to fit comfortably in hand
- Tricolor LED status light confirms status of panel including ALARM
- All-in-one compatibility – one part number compatible with DSC, ADEMCO, Caddx NX and Napco
